30 Petitioner hereby submits Exhibit "B", a partial transcript of a
 31 voice message, which was inadvertently left by Respondent, Eric DOE,
 32 when he apparently failed to hang up his cellphone after attempting to
 33 call the petitioner. Respondent and third-parties refer to petitioner
 34 as, "Faggot," throughout the recording—twice, to his face—which
 35 indicates the respondent's animus towards petitioner, and, suggests an

1 alternative motive for the theft of property.

2 The conversation between the respondent and third-parties (near the
3 end of the recording) suggest that petitioner has been surveilled (or
4 stalked, depending on the capacities of the third-parties).
